ACCESSORIES

		YUMI Countertop	YUMI Portable
	Stand		
	<ul style="list-style-type: none"> • The stand holds a YUMI countertop at a 45° angle in both portrait orientations – card-reader at top / NFC at top – and uses a fixation plate that clicks on to the YUMI. The stand itself can be then fixed to the counter with screws or non-damaging options such as double-sided adhesive tape. The screw-holes required have exactly the same footprint as the screw-holes for a YOMANI. 	Optional	No
	Fixation plate		
	<ul style="list-style-type: none"> • Attach a fixation plate firmly to a counter or a wall, in the preferred orientation. The YUMI countertop then clicks on to the fixation plate. 	Optional	No
	PIN privacy shield		
	<ul style="list-style-type: none"> • The PCI-certified PIN privacy shield prevents shoulder-surfing. It consists of a pair of flaps, which can be attached or removed at any time. 	Optional	Optional
	Revolving stands		
	<ul style="list-style-type: none"> • Several third-party suppliers offer a range of revolving stands that can save space and make the YUMI easier to use. Stands range from simple revolving stands to more sophisticated flip-over stands that make the most of the YUMI flexibility. 	Optional	No
